Dear Mr. Hogan,

It has now been over three weeks since I contacted you about this problem with licensing, and have not heard back from you. Since then employee V.C. clearance came in and it took 38 days. Still waiting for the results of two other employees, submitted on 7/19/07 and 7/31/07. We are critical on staff due to the failure of the state to provide timely clearances. I feel you have had enough time to address this problem and haven't. If we can not get any resolutions by friday, 8/17/07, I intend to file a complaint with the state ombudsman's office. I'm sorry to have to go this route but our residents are suffering because of your departments failure to do their job.

Sincerely,

Mark Arnold

MESSAGE:

I am the wife of deployed Alaska Army National Guard Soldier, Kenton Ward, and the president of the Juneau Family Readiness Group. Recently you visited the soldiers in Kuwait and I am inquiring if you would like to sponser an activitiy for the families in Juneau waiting for their loved ones to return home. Maybe a visit to the Governor's Mansion, cookie baking with you at the Mansion to send to the troops, or simply participating in one of our monthly meetings or home coming planning sessions.

I look forward to hearing from you and appreciate your support.
